# ***SIGNATURE WOOD COLLECTION***

*Introducing an exciting new real timber  
and faux woods shades collection  
designed for long term performance  
and enhanced aesthetics.*

**TIMBERVIEW  
NATURAL TIMBER  
COLLECTION**

**TIMBERVIEW  
HAS BEEN  
CONSTRUCTED  
FROM HIGH QUALITY  
HARDWOOD TIMBER  
FOR SUPERIOR  
STRENGTH,  
DURABILITY  
AND ULTIMATE  
PERFORMANCE.**

Featuring strong aesthetic appeal, the range offers a modern colour palette with darker wood tones inspired by key interior trends and styles.

Made from Poplar hardwood, the sustainable natural timber collection has a uniform, soft textured grain offering a consistent look and smooth paint finish.

The Timberview range includes 50mm and 63mm wide slat in hardwood timber, and a 90mm wide valance to eliminate light gaps for improved light control.

**TIMBERVIEW FEATURES:**

- High quality hardwood timber.
- Modern colour palette with new dark wood colours.
- 50mm and 63mm wide slat options.
- A stylish and modern 90mm valance offering improved light control and aesthetics.
- High resistance to denting, scratching, warping, twisting & decaying.

**TIMBERVIEW PRODUCT  
SPECIFICATIONS:**

*Slat Widths: 50mm & 63mm  
Valance: 90mm curved valance  
Bottom Rail: 50mm x 15mm  
Slat Thickness: 2.7mm +/- 0.20mm*

**WOODVIEW  
FAUX WOOD,  
REAL STYLE!**

**THE LOOK OF  
REAL WOOD, WITH  
THE QUALITY  
AND DURABILITY  
OF ADVANCED  
TECHNOLOGY THAT  
IS RESISTANT TO  
DISCOLOURATION  
AND WARPING.**

**LONG TERM PERFORMANCE**

Woodview blinds have been produced from Polystyrene for long term performance on the window. Polystyrene provides improved resistance to fading, cracking and peeling, allowing these blinds to be used in areas with high humidity, extreme temperatures and direct sunlight.

**EASY MAINTENANCE**

The composition of Woodview Blinds means they are easy to maintain. The slats can be easily wiped and cleaned with a damp cloth.

**STRONGER SLATS**

Woodview Blinds allow for wider tape spacing due to the thickness of the slats lending more strength to the overall blind. This means having fewer cords visible through the blind producing a more visually appealing end result.

**WOODVIEW &  
TIMBERVIEW  
COMPONENTS ARE  
COVERED BY A  
5 YEAR WARRANTY\*.**

**WOODVIEW PRODUCT  
SPECIFICATIONS:**

*Slat Widths: 50mm & 63mm
